

Bandschleifer
Belt grinding unit
Ponceuse à ruban abrasif

UBC 9-R

- Heavy duty electric belt grinder
- Tacho variable speed selector – 3 000 to 8 200 min⁻¹, variable from 945 to 2 598 SFPM
- A selection of 6 steel contact arms
- Complete selection of belts 20 1/2" (520mm) long, from 1/8" (3mm) to 3/4" (19mm) wide
- Warning light when carbon brushes are worn: LED (at the back of the black case) lights up as soon as the carbon brushes need changing.

Applications

Powerful, lightweight belt grinder. For cleaning and removing burrs, defining a radius, blending surface finishes, fillet weld grinding and finishing, tight access applications and generating decorative satin finishes on metal.
